

# Safety Net

*because sometimes friends may not be what they seem*

**My name is Rod Landman.  
I am working on a new project called Safety Net.  
It is for people with learning disabilities.  
Part of it will be based in North Devon.  
It is about Mate Crime.**

## What is Mate Crime?

How do you know when a friend is really a friend?

Sometimes people pretend to be friends.

People are **NOT** your friend if they:

- steal your things
- hurt you
- make you do things you don't want to.

Has a 'friend' done these things to you?  
What did you do when this happened?

Mate Crime might be something that the police wouldn't get involved in.

## Can you help?

Can you help to stop this happening to others?

Please come to a meeting at Silver Hill Lodge on Tuesday 28th July at 11.00am.

Phone me or email me if you want to know more.

Phone: 01237 441 786

Email: [rod.landman@arcuk.org.uk](mailto:rod.landman@arcuk.org.uk)

## Thank you!
